

SERVICE 4 — LEGAL RISK DETECTION

AI-Driven Multilingual Legal Document Simplifier

Source: legal doc 1.pdf

Scope: Service 4 only — Legal Risk Detection

1. Document Identification

Field	Information found in the uploaded order
Court	Court of Principal District Munsif, at Ulundurpet
Presiding Officer	Tmt. S. Madhumitha, B.A., LL.B (Hons.), Principal District Munsif (FAC), Ulundurpet
Date	21 July 2026
Proceeding	E.P. No. 09/2026 in ACP No. 162/2016
CNR	TNKAOF-000014-2026
Decree Holder / Plaintiff	M.S. Shriram Finance Ltd, formerly known as Sriram City Union Finance Ltd
Judgment Debtor / Defendant	Dhanachezhiyan
Nature	Execution Petition

2. Risk Detection Result

Overall finding: The uploaded document is a two-page court order concerning an execution petition. The document does not contain the contract-specific risk categories normally analyzed by Service 4, such as automatic renewal, hidden fees, non-compete restrictions, or unlimited contractual liability.

Important: This does not mean the matter is risk-free. It means that the supplied document does not provide enough content to identify those specific contractual risks.

3. Potential Concern Identified

Potential concern	Dismissal for default
Severity	Attention / procedural significance
Relevant finding	The order states that the petitioner was not present, there was no representation on behalf of the petitioner, s
Why it matters	The execution petition seeking recovery of Rs.46,502/- and arrest of the judgment debtor was dismissed for d
Source	Page 2 — FINDINGS / ORDER

4. Source Evidence

Page 2 — Order: The petition was filed under Order XXI Rule 37 & 38 of the Code of Civil Procedure to recover Rs.46,502/- and to arrest the respondent/judgment debtor.

Page 2 — Findings: The petitioner was not present, there was no representation on behalf of the petitioner, sufficient opportunities had been given, and the petition was dismissed for default.

5. Suggested Consideration

The uploaded order does not state any subsequent procedural step. A user reviewing this matter may want to clarify what the dismissal for default means for the related recovery proceeding and whether any further action is recorded in another related document. That information is not contained in the supplied document.

6. Risk Categories Not Supported by the Uploaded Document

Risk category	Finding
Automatic renewal	Not identified
High contractual penalty	Not identified

Risk category	Finding
Unlimited contractual liability	Not identified
One-sided contractual obligation	Not identified
Confidentiality restriction	Not identified
Non-compete restriction	Not identified
Hidden fees	Not identified
Ambiguous contractual wording	Not identified as a contractual risk
Unfavorable payment terms	Not identified
Strict contractual deadline	Not identified
Dispute / jurisdiction contractual concern	Not identified

7. Service 4 Final Output

Potential concern: Dismissal for default in the execution petition.

Severity: Attention / procedural significance.

Source: Page 2 — Findings / Order.

Grounding: Based only on the uploaded two-page order.

Definitive legal verdict: None.

Information not available: Any later procedural action or outcome after the dismissal.

This analysis is strictly limited to Service 4 — Legal Risk Detection and the contents of the uploaded document. It does not perform general legal research, legal advice, judgment summarization, or prediction of future outcomes.
